| English WALT: create a persuasive poster to advertise a contraption	Last week, you spent two sessions looking at 'Wallace and Gromit Cracking Contraption' videos and you created ideas about your own contraption. Today, I would like you to create a poster to persuade people to purchase your contraption! **Remember to include:** · Name of gadget · Picture of your gadget · 3 or 4 sentences that persuade the reader to buy it E.g. You should buy… You will not want to miss out on… Buy it now for only… · Price · Reviews	
	This is the contraption that I designed. I called it The Pea Hunter .	

Pea Hunter

Morse Code	 Morse code is a way to send messages without using words. The code has its own alphabet made up of short and long sounds or flashes of light. Use the morse code alphabet and create your own end of wartime message!! You could be Sir Winston Churchill and create your own morse code message to give to Britain at the end of the war.	What were your morse code end of wartime messages??
	Make sure that you take time out and have breaks during the day. **Have a lovely evening with your family. If you can this evening, join in with the 'Clap for our carers' at 8pm tonight.**
