

Day 7 – Bin Toss

Miss Pringle's top tip: Use both underarm and over arm throwing just like Mrs McNamara and Ms Dunning.

12.5.20

- After a break you are ready to go and what a great event to take part in. Grab an empty bin or box and set up your own target challenge. If you can create 3 targets that are worth different points that would be great. 20 points being the hardest target, 10 medium target & 5 easiest target. Have 3 shots and see what you can score. Can you beat your family?
