

## Part one THE ROUNDEL

# Welcome to the TfL Craft Club.

Here at the TfL Craft Club we've been looking at imaginative ways to help us, our families and friends keep creative while we stay at home. We've put together a selection of our favourite designs which we would like to share with you. We hope you enjoy them and they spark creative joy for you during these extraordinary times.

We'd love to see your finished creations, please share them us at the TfL Craft Club HQ.

Stay safe and keep on crafting!

# The Roundel

The roundel is a true design icon and has been guiding us through London for over 100 years. It has seen several variations to the design, some of which you can see below. Maybe you can have a go at creating your own, what would it look like?
