

## Whole School Home Learning Project

### The Coronation of King Charles III

King Charles III is a British Monarch. He is King of the United Kingdom and the 14 Nations of the Commonwealth. He is the longest serving heir and became King following the death of his mother, Queen Elizabeth II.

As a whole school learning activity, we invite you and your family to carry out some research to find out about King Charles III. Like his mother before him, he has a great sense of duty and has devoted his life to service of the UK and the Commonwealth.

Put together a poster/fact-file/letter etc. to inform others about him. We would like your child(ren) to follow their interests and be as creative as they like! Bring your home learning into school on Tuesday 2<sup>nd</sup> May.

Enjoy the celebrations!
