# Colonel Hathi's March

Hup, two, three, four  
Keep it up, two, three, four  
Hup, two, three, four  
Keep it up, two, three, four  
Oh, the aim of our patrol  
Is a question rather droll  
For to march and drill  
Over field and hill  
Is a military goal!  
Is a military goal!  
Hup, two, three, four  
Dress it up, two, three, four

By the ranks or single file  
Over every jungle mile  
Oh, we stamp and crush  
Through the underbrush  
In the military style!  
In the military style!  
Hup, two, three, four  
Keep it up, two, three, four

# Bare Necessities

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
Old Mother Nature's recipes  
That brings the bare necessities of life

Wherever I wander, wherever I roam  
I couldn't be fonder of my big home  
The bees are buzzin' in the tree  
To make some honey just for me  
When you look under the rocks and plants  
And take a glance at the fancy ants  
Then maybe try a few

The bare necessities of life will come to you  
They'll come to you!

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
That's why a bear can rest at ease  
With just the bare necessities of life

Now when you pick a pawpaw  
Or a prickly pear  
And you prick a raw paw  
Next time beware  
Don't pick the prickly pear by the paw  
When you pick a pear  
Try to use the claw  
But you don't need to use the claw  
When you pick a pear of the big pawpaw  
Have I given you a clue ?

The bare necessities of life will come to you  
They'll come to you!

I Wanna Be Like You

Now I'm the king of the swingers  
Oh, the jungle VIP  
I've reached the top and had to stop  
And that's what botherin' me  
I wanna be a man, mancub  
And stroll right into town  
And be just like the other men  
I'm tired of monkeyin' around!

Oh, oobee doo  
I wanna be like you  
I wanna walk like you  
Talk like you, too  
You'll see it's true  
An ape like me  
Can learn to be human too

Now don't try to kid me, mancub  
I made a deal with you  
What I desire is man's red fire  
To make my dream come true  
Give me the secret, mancub  
Clue me what to do  
Give me the power of man's red flower  
So I can be like you  
Oh, oobee doo  
I wanna be like you  
I wanna walk like you  
Talk like you, too  
You'll see it's true  
An ape like me  
Can learn to be human too

Oh, oobee doo  
I wanna be like you  
I wanna walk like you  
Talk like you, too  
Oh, oobee doo  
I wanna be like you  
I wanna walk like you  
Talk like you, too  
You'll see it's true  
An ape like me  
Can learn to be human too

# Song – Trust in me

Trust in me, just in me  
Shut your eyes and trust in me  
You can sleep safe and sound  
Knowing I am around

Slip into silent slumber  
Sail on a silver mist  
Slowly and surely your senses  
Will cease to resist

Trust in me, just in me  
Shut your eyes and trust in me

**That's What Friends Are  
For [From The Jungle  
Book]**

By Disney

We're your friends, we're your friends  
We're your friends to the bitter end  
When you're alone, who comes around  
To pluck you up when you are down  
And when you're outside, looking in  
Who's there to open the door?  
That's what friends are for!  
Who's always eager to extend  
A friendly claw?  
That's what friends are for!

And when you're lost in dire need  
Who's at your side at lightning speed?  
We're friends of every creature  
Comin' down the pike  
In fact we never met an animal  
We didn't like, didn't like  
So you can see, we're friends in need  
And friends in need are friends indeed  
We'll keep you safe  
In the jungle forevermore  
That's what friends are for
