Year of Community 2026 -2027

Each of you should use whatever gift
you have received to serve others,
as faithful stewards.

Aims for the Year of Community

Understand that God has given each of us gifts to use for the good of others.

Celebrate the diversity of gifts given to our community.

Help pupils to recognise their own gifts and use these in service.

Our School Priorities and Year of Community

The wider school focus for 2026–2027.

Year of Community in action

Here are some examples of the events that will be happening over the coming year:

St Vincent's Feast Day · One World Week · Harvest · Feast of All Saints · Anti-Bullying Week · Advent Service · EYFS and KS1 Nativity · World Book Day · Reconciliation · Lent · Science Week · Healthy Eating Week · Pentecost · Sports Day etc..

CATHOLIC SOCIAL TEACHING

Autumn Term 1 focus for all classes: **Creation**

Saints, Oracy and Self-Efficacy

Key strands that help children grow in faith, voice and confidence

Year 6 saint

St Oscar Romero

Across the school: St Clare of Assisi · St Clare of Euphrasia · St Martin de Porres · St Josephine Bakhita · St Maximilian Kolbe · St Carlo Acutis

Oracy

High-quality spoken-language skills are among the strongest predictors of future life chances, so children need regular opportunities to develop them.

Self-Efficacy

The belief that you can make a difference to your own life and that of others — being a director rather than a spectator of your own life.

The children will continue to:

Learn how saints respond to their call to serve and live lives of holiness; recognise that we are all called to be saints; connect canonised saints with Catholic Social Teaching and deepen their relationship with God.
