

What led Henry VIII to break from Rome? Write about A two or B four important reasons

Henry had problems and needed to decide which version of christianity would help him the most.He had money and heir problems-who would be his heir if he had no children .

In 1533, Henry broke from the church and married anne boley in a secret ceremony. This solved Henry's heir problems.

During henry's reign protestants grew

2. If you were an advisor to Henry VIII what would your opinion be? Write a letter to Henry VIII to: A persuade him to break with Rome OR B persuade him NOT to break with Rome.
