

POPE PAUL CATHOLIC PRIMARY SCHOOL

Learning in the light of Christ

Governors Newsletter Summer 2020

Dear Parents,

We are fast approaching the end of the summer term, after some four months during which schools have operated under most challenging conditions. I am sure that you as parents have also learnt new skills as you put your oft-quoted responsibilities as the first educators of your children into practise on a daily basis. Congratulations for rising to the challenge of home schooling – it has been wonderful to see via the class blogs, the rich experiences that you have given your children during this time. Thank you everyone!

We, the governors, would like to express our thanks to Mrs Heymoz and the staff, for their hard work and commitment during this extraordinarily challenging time. During lockdown, the school staff community have all shown their usual commitment in the service of others and to the safety, well-being and education of our children

Central government tells us that schools will fully reopen in September. Once again, the school will be kept busy planning for a future that is in many ways a huge unknown but the governors trust that parents will join with us in providing the staff with our full support and understanding as we move forward. We know that the school will strive to continue to work together to secure the best start for your children in their new year groups.

For the Year 6 children, we would like to wish you all the best in your new schools; it may be daunting, but it is an exciting start to a new chapter in your learning journey. Yesterday, they led and celebrated their Leavers' Mass in the school grounds, a wonderful experience and opportunity for them and their family. Each child was presented with a Bible and cross to remind them of the spiritual journey they have been on during their time at Pope Paul.

As we close for the summer, we send our best wishes to you all and renewed thanks for all your support and collaboration during this difficult time.

With very best wishes to you all,

Tricia Alder
