Proposed Sports Premium 2018/2019	
Budget Allocation	£17750
Teacher Training/Development	£5,500
Fitter Futures exercise programme	£500
Subject Leadership Development (Including supply Cover For PE Leader)	£2,000
Additional Lunch time sports clubs and additional MSA focus on sports MSA play development Autumn Term and Summer Term	£2500
Playground Equipment- new and replacing	£2050
Participation in Sports Competitions	£1250
Development of playground/outside area to included climbing wall and climbing frame	£4000

This year we will continue to develop the teaching and learning of PE by having Mr Dugan, a PE specialist from DOAS to support each teacher throughout the year. We have also renewed the fitter futures on line exercise programme. This enables pupils to practise skills and exercise at home. It also enables PE lessons to take place if the hall is not available.

We continue to extend the range of equipment available for our pupils during lunch times and have replaced damaged equipment. This year funds have been allocated to enable our PE leader to develop the ongoing monitoring of PE and to support all teachers in developing their practice.

‘Learning in the Light of Christ’
