

# Year of Pilgrimage at Pope Paul

On Tuesday 6<sup>th</sup> September, a group of ten children representing the KS2 Classes, went to St Mary's University in Twickenham to see the relics of St Bernadette. "Relics" is the catholic church term used to describe the earthly remains of a follower of Jesus Christ, normally either a saint or a martyr for the faith. At the heart of the Christian faith is the belief that God became a human being in Jesus Christ.

Pilgrimage is good for everyone. It makes us take a step out of daily routine and think about the big issues of our lives in particular.
